Rewarding you for making a difference.

We offer competitive pay with scope to progress further. Pay levels are set using market benchmarks to provide fairness. For Hospice roles we offer unsocial hours payments for staff regularly working weekends, nights and on call.

Rewarding you outside of work.

Through various third party schemes such as the Blue Light Card and Charity workers discounts these platforms give you access to many money saving offers and discounts at local and national retailers, including supermarkets. Savings are available on automotive, financial, entertainment, gifts and much much more.

Rewarding you forever.

Employees can be enrolled into our **Group Personal Pension Scheme AEGON** or may be entered into the **NHS Pension Scheme (subject to eligibility criteria)**. There are many benefits to our pension schemes which include:

- Employer contribution made. Value of contribution depends on the scheme you are enrolled in (AEGON scheme up to a maximum of 5%, NHS scheme 14.3%).
- Tax relief on your contributions.
- You can take a tax free lump sum payment on retirement.
- Dependents benefits payable if you die so your pension does not die with you.
- (If eligible for the NHS pension scheme) protection should you have to retire early due to ill health.
